

TUITION AND FEES 2019-20

One of the many ways Trinity Lutheran Church demonstrates a commitment to Christ-centered education is by sharing significant financial resources, which control tuition costs for all families. Tuition and Fees are payable in single payment or monthly through Smart Tuition July through June for a \$60 convenience fee.

REGISTRATION & FEES

A non-refundable FAMILY registration fee will be assessed annually for all preschool through eighth grade families and is due at time of registration.
